Exclusive! Mesh Stack & Hang Bins

New patented wire Mesh Bins are an industry exclusive. Our innovative mesh design offers a bright-chrome finish and a 3/8" x 3/8" grid pattern allowing complete visibility of the bin's contents. This unique mesh pattern provides a dust and dirt free storage environment. Ultra strong design allows for superior hang capacity perfect for industrial parts storage or anything where hang capacities are vital. Quantum's Mesh Bins feature a rear hanger that allows them to hang from any louvered wall panel or rail system and optional side stacking ledge which allow bins to stack one on top of the other. The open hopper design allows for easy picking while allowing visual access to stored contents. Two styles of optional label holders are available for all Mesh Bins. **Finish:** Chrome
